

Our Red Bud Industries' Stretcher Leveler is so much more than an important piece of equipment – it has transformed our business.

[ Keith Siebels, Senior Vice President, PVS-Metals ]

**Red Bud**

**Transformed Opportunities**

**COMPLETE  
COIL PROCESSING  
SOLUTIONS**

When PVS-Metals, a subsidiary of Owen Industries, decided to expand into new markets, they turned to Red Bud Industries. Their investment in this new, massive Stretcher Leveler allowed PVS to reach into an entirely new marketplace offering the latest in Coil Leveling Technology. With this new expansion and dramatically improved automation and capabilities, PVS can handle any project from design to delivery, start to finish.

**Tyler Owen**  
President  
Owen Industries,  
PVS-Metals

*"Red Bud's ongoing dedication to manufacturing the most innovative, world class equipment in the industry clearly separates Red Bud Industries from the rest."*
